

**TUGboat editorial information**

This regular issue (Vol. 42, No. 1) is the first issue of the 2021 volume year. The deadline for the second issue in Vol. 42 (the TUG’21 conference proceedings) is August 15, 2021, and for the third issue is October 15, 2021. Contributions are requested.

*TUG*boat is distributed as a benefit of membership to all current TUG members. It is also available to non-members in printed form through the TUG store ([tug.org/store](http://tug.org/store)), and online at the *TUG*boat web site ([tug.org/TUGboat](http://tug.org/TUGboat)). Online publication to non-members is delayed for one issue, to give members the benefit of early access.

Submissions to *TUG*boat are reviewed by volunteers and checked by the Editor before publication. However, the authors are assumed to be the experts. Questions regarding content or accuracy should therefore be directed to the authors, with an information copy to the Editor.

**Submitting items for publication**

Proposals and requests for *TUG*boat articles are gratefully received. Please submit contributions by electronic mail to [TUGboat@tug.org](mailto:TUGboat@tug.org).

The *TUG*boat style files, for use with plain Te\LaTeX\ and \LaTeX, are available from CTAN and the *TUG*boat web site, and are included in common Te\LaTeX\ distributions. We also accept submissions using Con\LaTeXt. Deadlines, templates, tips for authors, and more, are available at [tug.org/TUGboat](http://tug.org/TUGboat).

Effective with the 2005 volume year, submission of a new manuscript implies permission to publish the article, if accepted, on the *TUG*boat web site, as well as in print. Thus, the physical address you provide in the manuscript will also be available online. If you have any reservations about posting online, please notify the editors at the time of submission and we will be happy to make suitable arrangements.

**Other TUG publications**

TUG is interested in considering additional manuscripts for publication, such as manuals, instructional materials, documentation, or works on any other topic that might be useful to the Te\LaTeX\ community in general.

If you have such items or know of any that you would like considered for publication, please contact the Publications Committee at [tug-pub@tug.org](mailto:tug-pub@tug.org).
