

Texlive trial build 2013 (Sat, 23 Mar 2013 21:18:06 GMT)

Status @ Thu, 4 Apr 2013 10:00:00 BST

Platform	Maintainer	Status
alpha-linux	Norbert Preining	<i>having some issues</i>
amd64-freebsd	Nikola Lečić	<i>ok: ./Build OK (needed patch for luatex)</i>
amd64-kfreebsd	Alan Braslau	<i>ok: ./Build -enable-xindy + asymptote OK</i>
armel-linux	Boris Veytsman	<i>ok: ./Build -enable-xindy CLISP=... OK</i>
armhf-linux	Simon Dales	<i>ok: ./Build OK</i>
i386-cygwin	Ken Brown	<i>ok: ./Build OK</i>
i386-freebsd	Nikola Lečić	<i>ok: ./Build OK (needed patch for luatex)</i>
i386-kfreebsd	Alan Braslau	<i>ok: ./Build -enable-xindy + asymptote OK</i>
i386-linux	Karl Berry	<i>ok: ./Build -enable-xindy CLISP=... OK</i>
i386-netbsd	Jukka Salmi	<i>possibly obsolete platform: [Karl Berry] I expect there will be nonen this year,...</i>
i386-solaris	Ettore Aldrovandi	<i>having some issues</i>
i386-solaris-11	Apostolos Syropoulos	<i>ok: ./Build OK</i>
mips-irix	Christian Mensing	<i>having some issues: [Karl Berry] Christian M said he will try building. (If it doesn't work out, no big deal.)</i>
mipsel-linux	Mojca Miklavec	<i>ok: [./Build OK] “(but I didn't try clisp or any other non-standard binary).”</i>
powerpc-aix	Vladimir Volovich	<i>notyet</i>
powerpc-linux	Thomas Schmitz	<i>ok: [./Build OK ...] Build asymptote and all binaries on powerpc-linux: no problems, all tests successful.</i>
sparc-solaris	Vladimir Volovich	<i>ok-ish: [Mojca Miklavec] All binaris on sparc-solaris seem to compile fine (again, no attempt at asy or xindy), but: FAIL: tests/ttf.test</i>
universal-darwin	Dick Koch	<i>having some issues: [Mojca Miklavec] “but not the one with chtex any more”</i>
win32	Akira Kakuto	<i>ok: ./Build OK</i>
x86-64-darwin	Dick Koch	<i>ok: ./Build -enable-xindy CLISP=... OK</i>
x86-64-linux	Peter Breitenlohner	<i>having some issues</i>
x86-64-solaris	Ettore Aldrovandi	<i>having some issues</i>
x86-64-solaris-11	Apostolos Syropoulos	<i>ok: ./Build OK</i>

status	count
notyet	1
possibly obsolete platform	1
having some issues	6
ok-ish	1
ok	14
total	23

Wed 27 Mar	alpha-linux	having some issues	
	amd64-kfreebsd	ok	./Build OK
	armel-linux	ok	./Build -enable-xindy CLISP=... OK
	armhf-linux	ok	./Build OK
	i386-kfreebsd	ok	./Build OK
	i386-solaris-11	having some issues	
	powerpc-linux	ok	./Build -enable-xindy CLISP=... OK
	win32	ok	./Build OK
	universal-darwin	ok	./Build -enable-xindy CLISP=... OK
	x86-64-darwin	ok	./Build -enable-xindy CLISP=... OK
Fri 29 Mar	x86-64-linux	having some issues	
	x86-64-solaris-11	having some issues	
	amd64-freebsd	having some issues	Mojca Miklavec says
	i386-freebsd	having some issues	Mojca Miklavec says
	i386-cygwin	ok	./Build OK
	i386-linux	ok	./Build -enable-xindy CLISP=... OK
	i386-solaris-11	ok-ish	[Ettore Aldrovandi] "I can confirm a successful build on Solaris 11 (not OpenIndiana) i386."
Sun 31 Mar	i386-solaris	having some issues	
	x86-64-solaris	having some issues	
	amd64-kfreebsd	ok	./Build -enable-xindy OK (used distro's CLISP(?))
	i386-kfreebsd	ok	./Build -enable-xindy OK (used distro's CLISP(?))
Mon 01 Apr	mipsel-linux	ok	[./Build OK] " (but I didn't try clisp or any other non-standard binary)."
	universal-darwin	having some issues	was OK, but "chtex fails tests on the 32 bit machines"
	universal-darwin	having some issues	[Mojca Miklavec] "but not the one with chtex any more"
Wed 03 Apr	sparc-solaris	having some issues	[Mojca Miklavec] "ICU fails to build"
	amd64-freebsd	ok	./Build OK (needed patch for luatex)
	i386-freebsd	ok	./Build OK (needed patch for luatex)
Wed 03 Apr	i386-netbsd	possibly obsolete platform	[Karl Berry] I expect there will be nonen this year,...
	mips-irix	having some issues	[Karl Berry] Christian M said he will try building. (If it doesn't work out, no big deal.)

Date	Platform	Status	Description
	sparc-solaris		note = [Karl Berry] I have not yet heard from Vladimir despite repeated pleas. Nelson, we need to use the results on your sparc fleet ...
Wed 03 Apr b	x86-64-solaris-11	ok	./Build OK
	i386-solaris-11	ok	./Build OK
Thu 04 Apr	powerpc-linux	ok	[./Build OK ...] Build asymptote and all binaries on powerpc-linux: no problems, all tests successful.
	sparc-solaris	ok-ish	[Mojca Miklavec] All binaris on sparc-solaris seem to compile fine (again, no attempt at asy or xindy), but: FAIL: tests/ttf.test
	amd64-kfreebsd	ok	./Build -enable-xindy + asymptote OK
	i386-kfreebsd	ok	./Build -enable-xindy + asymptote OK
