

Secretary's Report 2012

Membership of UK-TUG remains steady at around 150 people, with some turnover as new members join (principally through our course programme), replacing the small number of people who do not renew. Joint membership of UK-TUG and TUG remains popular, with approximately one third of our members taking advantage of this route.

We have run the \LaTeX beginners course twice over the past year, and interest remains strong. There is significant interest in learning \LaTeX from members of the publishing community along with students needing to write theses and similar documents.

I will be seeking to remain on the Committee, and assuming that this is the case will be very happy to continue in my current role for the coming year.

Joseph Wright
UK-TUG Secretary
