

Secretary's Report 2013

Membership of UK-TUG has fallen slightly, standing at around 130 people compared with approximately 150 last year. Joint membership of UK-TUG and TUG remains popular, with approximately forty percent of our members taking advantage of this route.

We have run the L^AT_EX beginners course once during the year. While take up was lower than in the past it seems clear that students remain keen: there are few other avenues to obtain 'free standing' L^AT_EX training

I will be seeking to remain on the Committee, and assuming that this is the case will be very happy to continue in my current role for the coming year.

Joseph Wright
UK-TUG Secretary
