

Secretary's Report 2014

Membership of UK-TUG has fallen slightly again this year, standing at around 114 people compared with approximately 130 last year. Joint membership of UK-TUG and TUG remains popular, with approximately forty percent of our members taking advantage of this route.

Un contrast to last year, we have not run a LaTeX course this year, which is reflected in both our membership numbers and finances (see the accounts).

I will be seeking to remain on the Committee, and assuming that this is the case will be very happy to continue in my current role for the coming year.

Joseph Wright
UK-TUG Secretary
