TUG Membership Dues and Privileges

Individual Membership

1982 dues for individual members are \$15 until December 31, 1982; thereafter, 1982 issues of TUGboat (Vol. 3, Nos. 1-2) will be priced at \$15 each (\$30 for the complete volume). For 1983, individual dues will be \$20. A reminder notice will be mailed late in November to all members who have not renewed by that time.

Membership privileges include all issues of TUGboat published during the membership (calendar) year. All new members and other persons inquiring about TUG will be sent a complimentary copy of TUGboat Vol. 1, No. 1 (1980). Members residing outside North America, upon payment of a supplementary fee of \$12 per subscription or volume year, may have TUGboat air mailed to them. Lengthy macro packages, such as Max Díaz's *Fácil T_EX* (Appendix A, TUGboat Vol. 2, No. 2), will be published separately in the future; details will be given on the order form.

Institutional Membership

Institutional membership dues are \$200 per year for 1982 and 1983. Membership privileges include: designating up to 5 persons as individual members, special rates for participation at TUG meetings, and being listed as an institutional member on the inside cover of each issue of TUGboat.

TUGboat Schedule

The deadline for submitting items for Vol. 4, No. 1 (1983), will be May 2, 1983; the mailing date will be June 10. Contributions on magnetic tape or in camera copy form are encouraged; see the statement of editorial policy, page 3, Vol. 3, No. 1. Editorial addresses are given on the inside front cover, and a form containing instructions for submitting items on tape is bound into the back of this issue.

It is TUG's policy to keep all issues of TUGboat in print. Each member is entitled to receive all issues which appear during the membership year, as well as Vol. 1, No. 1. Domestic subscriptions are mailed third class bulk, which may take up to six weeks to reach its destination; shipments outside North America are mailed surface printed matter, unless the air mail option is elected.
