TUGboat editorial information
This regular issue (Vol. 40, No. 1) is the first issue of the 2019 volume year. The second issue this year will be the TUG’19 conference proceedings; the submission deadline is August 18. The deadline for the third issue is September 30.

TUGboat is distributed as a benefit of membership to all current TUG members. It is also available to non-members in printed form through the TUG store (tug.org/store), and online at the TUGboat web site (tug.org/TUGboat). Online publication to non-members is delayed for one issue, to give members the benefit of early access.

Submissions to TUGboat are reviewed by volunteers and checked by the Editor before publication. However, the authors are assumed to be the experts. Questions regarding content or accuracy should therefore be directed to the authors, with an information copy to the Editor.

TUGboat editorial board
Barbara Beeton, Editor-in-Chief
Karl Berry, Production Manager
Robin Laakso, Office Manager
Boris Veytsman, Associate Editor, Book Reviews

Production team
William Adams, Barbara Beeton, Karl Berry, Kaja Christiansen, Robin Fairbairns, Clarissa Littler, Steve Peter, Michael Sofka, Christina Thiele

Submitting items for publication
Proposals and requests for TUGboat articles are gratefully received. Please submit contributions by electronic mail to TUGboat@tug.org.

The TUGboat style files, for use with plain TeX and LaTeX, are available from CTAN and the TUGboat web site, and are included in common TeX distributions. We also accept submissions using ConTeXt. Deadlines, templates, tips for authors, and more, is available at tug.org/TUGboat.

Effective with the 2005 volume year, submission of a new manuscript implies permission to publish the article, if accepted, on the TUGboat web site, as well as in print. Thus, the physical address you provide in the manuscript will also be available online. If you have any reservations about posting online, please notify the editors at the time of submission and we will be happy to make suitable arrangements.

Other TUG publications
TUG is interested in considering additional manuscripts for publication, such as manuals, instructional materials, documentation, or works on any other topic that might be useful to the TeX community in general.

If you have such items or know of any that you would like considered for publication, please contact the Publications Committee at tug-pub@tug.org.
