**TUGboat editorial information**

This regular issue (Vol. 45, No. 1) is the first issue of the 2024 volume year. The deadline for the second issue in Vol. 45 (the TUG’24 conference proceedings) is July 28, 2024, and for the third (regular) issue, October 6, 2024. The deadline for the first issue of next year is March 23, 2025. Contributions are requested.

TUGboat is distributed as a benefit of membership to all current TUG members. It is also available to non-members in printed form through the TUG store (tug.org/store), and online at the TUGboat web site (tug.org/TUGboat). Online publication to non-members is delayed for one issue, to give members the benefit of early access.

Submissions to TUGboat are reviewed by volunteers and checked by the Editor before publication. However, the authors are assumed to be the experts. Questions regarding content or accuracy should therefore be directed to the authors, with an information copy to the Editor.

**Submitting items for publication**

Proposals and requests for TUGboat articles are gratefully received. Please submit contributions by electronic mail to tugboat@tug.org.

The TUGboat style files, for use with plain \TeX and IM\TeX, are available from CTAN and the TUGboat web site, and are included in \TeX distributions. We also accept submissions using Con\TeXt. For deadlines, templates, author tips, and more, see tug.org/TUGboat.

Effective with the 2005 volume year, submission of a new manuscript implies permission to publish the article, if accepted, on the TUGboat web site, as well as in print. As of fall 2023, submission also implies permission to be indexed in the EBSCO (a large subscription management company) databases. We made this agreement with EBSCO to provide more visibility to TUGboat articles. See tug.org/TUGboat/tubperm.html for more.

If you have any concerns about these permissions, please notify the editors at the time of submission and we will do our best to make suitable arrangements.

**Other TUG publications**

TUG is interested in considering additional manuscripts for publication, such as manuals, instructional materials, documentation, or works on any other topic that might be useful to the \TeX community in general.

If you have such items or know of any that you would like considered for publication, please contact the Publications Committee at tug-pub@tug.org.
