

bla run with:

makeindex

makeindex -B 3 (-E end of file implied) [should group only adjacent pages]

makeindex -B 3 -E 8 (-S 2 implied) [should group pages that skip only one page, odd pages and even pages]

makeindex -B 3 -S 3 -E 8 [should group even pages, odd pages and multiples of three because now skipping of two pages is allowed]

makeindex -S 3 -E 8 (-B begin of file implied)

these are the real page numbers, page number i = real page number 1, ii = real page number 2, 3 = real page number 3
