

Secretary's Report 2018

Membership of UK-TUG has fallen slightly again this year, standing at just over 80 people; I note that this is around half of the level in 2012. This is of some concern for the future as new membership applications are extremely rare.

Joint membership of UK-TUG and TUG remains popular, with around 40% of members taking advantage of this route.

I will be seeking to remain on the Committee, and assuming that this is the case will be very happy to continue in my current role for the coming year.

Joseph Wright
UK-TUG Secretary
